

Tiny But Mighty

ESD310 Portable SSD

- USB 10Gbps transfer rate
- USB Type-A & Type-C supported
- Up to 2TB capacity
- Read up to 1050MB/s
Write up to 950MB/s

Blistering Data Transfer Rates

The ESD310 portable SSD features a super-fast 10Gbps transfer rate and cutting-edge SLC Cache technology, delivering blazing R/W speeds of up to 1050/950 MB/s. With such competitive performance, this small drive makes large file transfers worry-free, effectively giving you the power of a mini SSD in the palm of your hand! The ESD310 is also backward compatible with USB 2.0 & 3.0, making it accessible and easy to use.

Two Connectors, Endless Possibilities

The ESD310 comes with two connectors, USB Type-A and Type-C. This 2-in-1 design makes it easy to transfer files across your Type-C and Type-A devices. Just plug it to your device, no cable needed, and you can immediately enjoy fast file transfer without delay!

up to 2TB

High Capacity At Your Fingertips

The ESD310 provides up to 2TB of storage capacity. Whether it is 4K video, music files, or high-resolution photos, you can take the ESD310 with you wherever you go and have everything in your pocket.

Compatibility Without Boundaries

The ESD310 can be used with multiple devices and operating systems, including Windows, macOS, and Android. It provides ultra-fast transfer speeds and extra-large capacity expansion for PCs, laptops, tablets, smartphones, and even gaming consoles. The incredible versatility makes it a convenient and efficient option for those looking to expand their storage space.

Built to Last, Designed to Impress

The sturdy aluminum casing keeps your data safe and intact wherever you go. The built-in ECC functionality provides superior stability for data storage. Carrying a sleek black portable SSD adds a touch of modernity to any tech-savvy individual.

Guaranteed Quality

The ESD310 is covered by a five-year limited warranty. To ensure the utmost level of quality, Transcend SSDs undergo rigorous testing at all stages of production, including tests for vibration, temperature and humidity, speed, and functionality.

Value-Added Software

A complimentary download from Transcend's official website, Transcend Elite data management software is compatible with both Windows and macOS. Transcend Elite features backup and restore, data encryption, and cloud backup functions, helping you keep important files organized, protected, and up-to-date!

- Backup**: Perform instant backups and scheduled backups.
- Restore**: Restore from any point on the backup task list.
- Encryption**: Protect files with powerful 256-bit AES encryption.
- Decryption**: Decrypt files encrypted by Elite.
- Cloud**: Back up files from Google Drive, OneDrive, iCloud or Dropbox to a Transcend storage device.
